AGENDA ITEM

TO: Mayor and City Council

FROM: Drew Bontrager, Public Works Director

RE: **Public Right of Way Dedication – S. Orange Street**

PURPOSE

The attached bills authorize the City Manager to accept sections of privately owned property as permanent public right-of-way along S. Orange Street.

BACKGROUND

The City of Cameron has received a Community Development Block Grant Program (CDBG) for the S. Orange Street Stormwater Project. The project involves replacing two tubes with a larger concrete box culvert and subsequent re-alignment of S. Orange. Consequently, additional rights-of-way are required for the improvements. We have identified and described the amount of additional property required to be dedicated as permanent right-of-way. There are a total of three property owners conveying property for rights-of-way to the City. Those three properties are Cameron Villa Apartments, Scerib Properties and Neil and Tamara Steward.

There is also one permanent drainage easement required. The permanent drainage easement is on the Cameron Villa property.

This memo covers all three permanent right-of-way and permanent drainage easements.

RECOMMENDATION

Recommend the Council adopt the attached bills authorizing the Mayor to accept the property along S Orange Street for permanent public right-of-way and permanent drainage easements.
