

PUBLIC SERVICE RECOMMENDATION

WEAR A MASK

IN PUBLIC

Due to significant increases in COVID-19 cases and deaths in our four-county area, Cameron community leaders along with public safety & healthcare providers are united in asking the public to follow CDC Guidelines by doing the following:

WEAR A MASK in public.

WASH/SANITIZE hands frequently.

SOCIAL DISTANCE at all times (at least 6').

STAY HOME if you are sick.

AVOID large group gatherings/crowds.

Additional community policies may be initiated if the local cases and death rates continue to escalate. Let's work together to help PROTECT our loved ones, public safety/healthcare workers and community to limit the spread of this potentially deadly virus.
